Dokumentation zur Jüdischen Kultur in Deutschland 1840-1940

(Documentation on Jewish Culture in Germany 1840-1940)

The microfiche collection *Dokumentation zur Jüdischen Kultur in Deutschland 1840-1940* (Documentation on Jewish Culture in Germany 1840-1940) makes a century of Jewish culture in Germany available to researchers. It contains roughly one million cuttings from German and foreign newspapers that focus on Jewish authors, writers, scientists, artists, and Jewish issues. A variety of articles are represented, including reviews and reports on artistic performances and exhibitions, anniversaries and premieres, as well as numerous illustrations.
