Creator: Office of Public Affairs, Washington University in St. Louis.

Title: Assembly Series Collection.

Dates: 1961 – 1969.

Quantity: 30.0 linear feet.

Language: English.

Historical Note

For a half century, the Washington University Assembly Series has brought some of the most important voices in contemporary society to campus. The lectures, which represent a broad range of topics designed to complement the University's curriculum, are free and open to the public.

Support for the lecture series comes from Student Union and the University, as well as from other student groups, academic departments, and schools.

Scope and Content Notes

This finding aid describes Assembly Series recordings from one decade. Items are listed by ASL number (Assembly Series Lecture), then by speaker name, and lecture title. Physical format is noted in brackets.

Additional decades are described in separate finding aids.

Arrangement

The collection is arranged chronologically.

Administrative Information

Source of Collection

Assembly Series staff from the Office of Public Affairs transferred the recordings to University Archives each semester.

Accruals

Accruals are interfiled with the collection.

Processing Information

Material is continually added to this collection and is processed as it is received. Collection finding aid reviewed and updated for XML encoding by Archives staff in 2010.

Restrictions

Access Restrictions

This collection has some restrictions; please contact the University Archivist (314) 935-9730.

Use Restrictions

Users of the collection must read and abide by the Rules for the Use of University Archives Materials.

Users of the collection who wish to use items from this collection, in whole or in part, in any form of publication (as defined in the form) must sign and submit to the Washington University Archives a hard copy of the Notification of Intent to Quote from or Publish University Archives Materials form.

All publication not covered by fair use restricted to those who have permission of the copyright holder.
