

Finding Aid for the Harold J. Barnett Papers

Descriptive Summary

Repository: University Archives, Department of Special Collections, Washington University Libraries, One Brookings Drive, Campus Box 1061, St. Louis, MO 63130, Telephone: (314) 935-5444 or (314) 935-9730, Fax (314) 935-8320, e-mail: spec@wumail.wustl.edu, website: <http://library.wustl.edu/units/spec/archives>

Creator: Harold J. Barnett.

Title: Harold J. Barnett Papers.

Dates: 1943 – 1979.

Quantity: 11.0 linear feet.

Language: English.

Biographical Note

Harold J. Barnett was born in 1917 in Paterson, New Jersey. He died February 1987 in St. Louis, Missouri

B.S. University of Arkansas, 1939

M.S. University of California, Berkeley, 1941

M.A. Harvard University, 1948

Ph.D., Harvard University, 1952

Senior Economist, RAND Corporation, Santa Monica, California, 1952-1955

Professor of Economics, Wayne State University, Detroit, Michigan, 1959-1963 (and Department Chairman 1959-1961)

Professor of Economics, Washington University, 1963-1981

Chair of Economics Department, 1963-1966

Professor Emeritus of Economics, Washington University, 1981-1987

Dr. Barnett was hired by Chancellor Eliot in 1963 as part of a plan to further develop several departments within the College of Arts and Sciences, including the Department of Economics. Barnett was selected because his work transformed the Department of Economics at Wayne State. In 1964, as chair of the Department of Economics at Washington University, Barnett hired Dr. Murray Weidenbaum, who later succeeded him as chair of the department in 1966.

Barnett's teaching and research focus was on natural resources, energy, and economic development. He wrote numerous papers and publications; the Olin Library system holds some of these titles.

Additional biographical information is in *Washington University in St. Louis, A History* by Ralph Morrow, page 549.

Scope and Content Notes

This collection contains the papers of Harold J. Barnett and includes his research notes on both television and environmental-related issues and his publications.

The collection is organized into three series as detailed below:

Series 01: Research related to television (arranged alphabetically by subject)

Series 02: Research related to environmental issues (arranged alphabetically by subject)

Series 03: Publications (arranged alphabetically by subject)

Administrative Information

Source of Collection

This material was donated to the University Archives before 1973. Additional material was donated on April 4, 1973.

Accruals

Accruals are interfiled with the collection.

Processing Information

Processed by University Archives staff. Finding aid revised by Sarah Pabarcus in September 2006. Finding aid revised by Margarita Tschomakoff in January 2012.

Restrictions

Access Restrictions

There are no restrictions to access.

Use Restrictions

Users of the collection must read and abide by the Rules for the Use of University Archives Materials.

Users of the collection who wish to use items from this collection, in whole or in part, in any form of publication (as defined in the form) must sign and submit to the Washington University Archives a hard copy of the Notification of Intent to Quote from or Publish University Archives Materials form.

All publication not covered by fair use restricted to those who have permission of the copyright holder.

Collection Contents
