Barnet-Miles Correspondence Transcription

[Letter, Vern Barnet to Tom Miles, 13 January 1999. Tom Miles Papers, Series II, Box 5, folder 1. NB: Barnet mis-labels the date, writing "991013", with "98" struck through. The letter is post-marked 14 January 1999. It is therefore most probable that the letter was written the 13th of January 1999.]

[Center for Religious Experience and Study letterhead.]

~~98~~ 991013

Dear Tom,

Thank you very much for writing me and sending such interesting enclosures. I especially appreciated the Paul Duke material, though I disagree on the issue of orientation, as the clipping I enclose from The Pitch suggests. You will also find the column which you requested, which appeared the week before the one you saw. And a few previous columns on similar subjects.

Congratulations on your pride in your daughter and for your participation in the very important P-FLAG organization.

Your letter is a great encouragement to me.

Thine,

Vern Barnett
